## Exhibition Overview

The Asia Pacific Coatings Show is the leading coatings event in South East Asia and the Pacific Rim for raw materials suppliers and equipment manufacturers for the coatings industry. We hereby sincerely invite you and your company representative to visit our stand (Stand NO.A10) at Balai Sidang Jakarta Convention Center, Indonesia from Sep. 11<sup>th</sup> to 13<sup>th</sup> in APCS 2024.

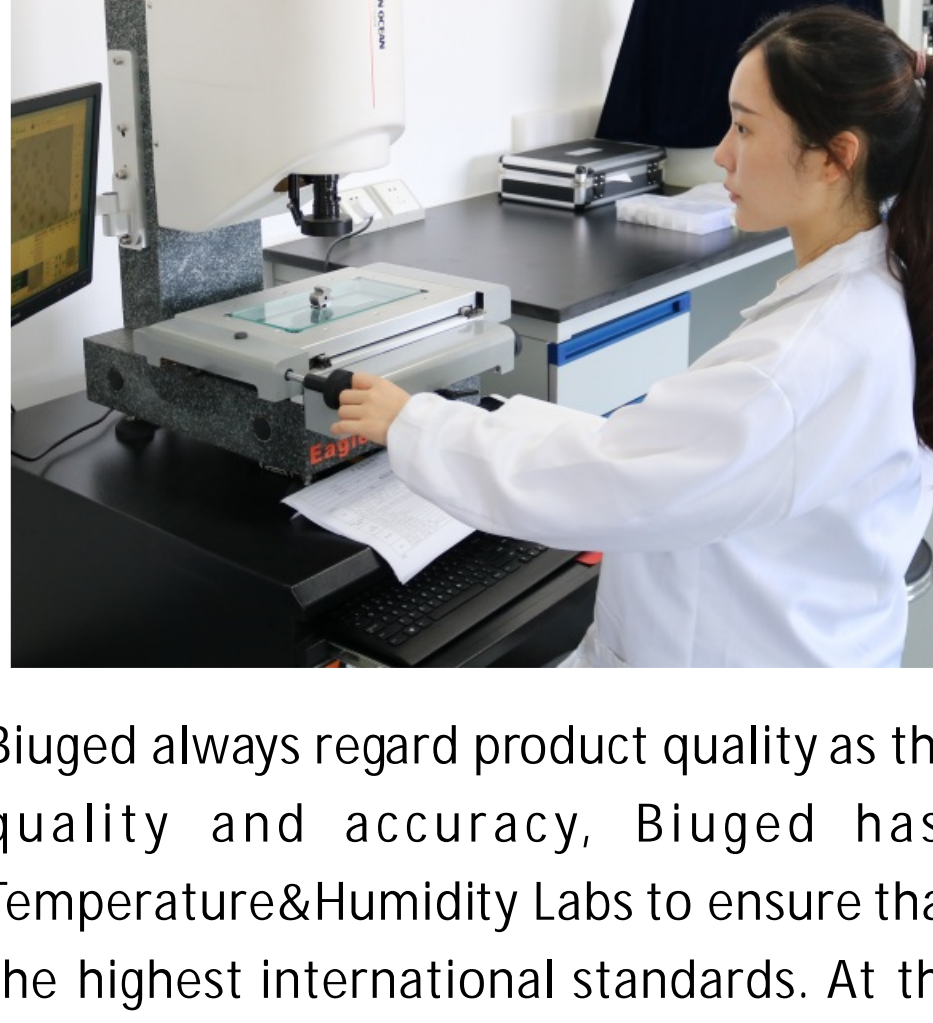

## About BIUGED

Since 1963, Biuged provides a full series of professional, precise and cost-effective test instruments for paint, coating and ink. We are the biggest manufacture in this field in China. Biuged has 150 employees, 68 international agents, a third-party calibration lab approved by CNAS/ILAC, draft more than 50 standards. We make continuous efforts to develop our instruments, to ensure clients obtain a high reproducibility and comparability of test results. "Quality First, Customer First" and "More Accurate, More Efficient" guides us forward.

## Calibration Lab.

MORE ACCURATE  
MORE EFFICIENT

Biuged always regard product quality as the life of the enterprise. In order to control the quality and accuracy, Biuged has built four high-precision Constant Temperature&Humidity Labs to ensure that all physical quantities can be traced back to the highest international standards. At the same time, all products are subject to the strictest testing standards.
