

# Pleasant fragrance

# Scent infused textile

People might often ask,  
“What perfume do you wear?”

F A B R I C P E R F U M E

People probably say,  
“I love that memorable fragrance.”

Microcapsulation finishing makes  
the fragrance longevity is more longer in textile!

---

It lingers more longer than perfume,  
Since this fragrance agent is synthesized by microcapsulation process

Let's enjoy floral, fruity fragrances.
